AVENUES FOR HOPE

As the holiday season approaches, we at Sojourners Alliance are proud to once again participate in the Avenues for Hope Housing Challenge — a statewide online fundraising campaign that brings people together to support safe, stable, affordable housing across Idaho. This year's campaign runs online from [December 10 through December 31](#), and every donation of \$25 or more helps provide critical resources to individuals and families experiencing homelessness or housing instability. However, donations can also be made directly to Sojourners Alliance in the form of checks or cash starting now! These can be sent to 627 N Van Buren St, Moscow, ID 83843.

Avenues for Hope supports over 100 nonprofits and school districts across Idaho. Your support helps strengthen the statewide safety net for thousands of vulnerable people — giving them not just a temporary shelter, but a real chance at long-term stability and dignity. Donations can contribute to housing individuals, food assistance, and personal supplies people may need
